TWITTER LIVE SESSION

Prof.K.VIJAY RAGHAVAN

Principal Scientific Adviser

Government of India

On 8th April 2020

REPORT

“Leadership Talk Series” with **Prof.K.Vijay Raghavan, Principal Scientific Adviser, Government of India**

Institution’s Innovation Council of Karaikal Polytechnic College, Karaikal organized Twitter Live Session of “Leadership Talk Series” with **Prof.K.Vijay Raghavan, Principal Scientific Adviser, Government of India conducted by MHRD’s Innovation Cell & AICTE – Organized by – Institution’s Innovation Council (IIC) of Karaikal Polytechnic College on 8th April 2020 despite of COVID 19 Outbreak.**

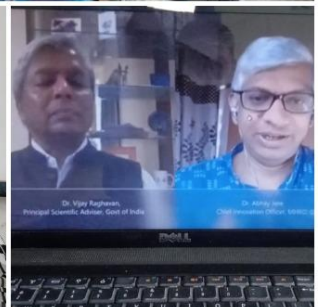

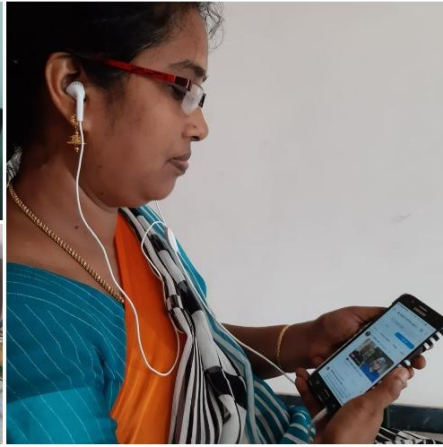

Dr.D.SANDANASAMY, Principal cum President-IIC of Karaikal Polytechnic College sincerely thank AICTE-MHRD for taking lot of efforts for the welfare of the student community, Also he stressed the importance of this programme and motivated the students to attend this types of live session in future. He also congratulates The Convener and their Team members for their efforts of bringing this sort of programmes for the benefit of the student’s community. The Convener IIC expressed his sincere thanks to all the students and faculty members who were actively participated in the live session in spite of CORONA Breakdown.

The session was conducted by MHRD Innovation Cell and AICTE. The Leadership Talk was held between Prof.K.VIJAY RAGHAVAN, Principal Scientific Advisor, Govt of India and Dr.ABHAY JERE, Chief Innovation Officer, MHRD Innovation Cell.

Prof.K.VIJAY RAGHAVAN, the Centre’s Principal Scientific Advisor and Co-Chair of COVID-19 R&D Taskforce, shared his views about India’s fight against COVID-19 and he proudly said that India is taking the decisions incredibly well and he is glad about it. He also added that checking of International travellers and tracking system for their contacts are playing a vital role in the fight against corona virus disease. He said that the combination of testing and contact tracing would be more successful and suggested that every Indian citizen should download the Aarogya Setu app in their smartphones. Prof.K.VIJAY RAGHAVAN also explained how this app works and how one can know their risk level through this app. He also said that he is happy with the way the Indian Scientific Community responded with their innovative ideas and research to fight against COVID-19 .

Prof.K.VIJAY RAGHAVAN stressed that the students of Science and Engineering should have a strong foundation in their subject knowledge in order to face any challenge in future. The entire session was very much interesting and highly informative. The LIVE session was attended by the Principal, Staff members and students of Karaikal Polytechnic College . The staff members and students of the Institution are very much thankful to MHRD Innovation Cell and AICTE for organizing an excellent session
